

Further Studies

John Ng

10 November 2021

University

Form 4

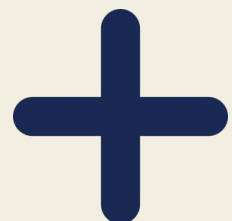

From 2024 onwards

Chinese Language

English Language

Mathematics

Citizenship and Social Development

Elective

General Entrance Requirements

CityU Veterinary Medicine

Biology and Chemistry

CUHK Medicine

Biology or Chemistry

HKU Medicine

Chemistry

HKU Dental Surgery

Biology or Chemistry or Physics

HKU Speech and Hearing Sciences

Biology

CUHK Nursing

(Preferred)Biology or Chemistry or Physics

PolyU Physiotherapy

(Preferred)Biology and/or Physics

HKUST Engineering

(Biology or Chemistry or Physics or ICT

2022 Entry

Programme

Entrance

Requirements

CityU Electrical Engineering

(x2) ICT, M1/M2, Physics
(x1.5) Biology, Chemistry

HKBU Chinese Medicine
and Biomedical Science

(x1.5) Biology, Chinese Language,
English Language
(x1.25) Chemistry

CUHK Financial
Technology

(x1.75) Mathematics, M1/M2
(x1.5) Biology, Chemistry,
Economics, ICT, Physics
(x1.25) English, Chinese

HKU Applied Artificial
Intelligence

(x2) English, Mathematics, M1/M2
(x1.5) Biology, Chemistry, Physics,
ICT

PolyU Computing and AI

(Preferred) English, Mathematics,
M1/M2, Biology, Chemistry,
Physics, BAFS, Economics, ICT

PolyU Design

(Preferred) Chinese, English,
Mathematics, Visual Arts

PolyU Fashion and
Textiles

(Preferred) English, Chemistry,
Visual Arts

Subject Weighting
Selection Principles
Admission Scores

Mathematics Extended Part Module 1: Calculus and Statistics (M1)

Mathematics Extended Part Module 2: Algebra and Calculus (M2)

may include

M1/M2

Level 3 or
above

Level 3 or above
(preferred)

Level 4 or
above

- Architectural Studies
- Surveying
- BA
- Engineering
- Chinese Medicine
- Nursing

- BBA (Marketing Analytics and Technology)
- Quantitative Finance
- Data Science and Engineering

- Biomedical Engineering
- Engineering
- Arts and Sciences
- BBA (Business Analytics)

- Applied Artificial Intelligence
- Science Master Class
- Actuarial Science

Mathematics
Extended Part
Module 1:
Calculus and
Statistics (M1)

x1.2

- Actuarial Science

Mathematics
Extended Part
Module 2:
Algebra and
Calculus (M2)

x1.25

- Quantitative
Finance
- Marketing
Analytics and
Technology

- Bachelor of
Education and
Bachelor of Science
- Bachelor of
Science and
Bachelor of Laws
- Applied Artificial
Intelligence

Mathematics

Extended Part

Module 1:

Calculus and

Statistics (M1)

Further Maths (A Level) ~

M1/M2 (HKDSE)

Mathematics

Extended Part

Module 2:

Algebra and

Calculus (M2)

Imperial College
London

Hong Kong

Hong Kong Diploma of Secondary Education
(HKDSE)

Grade 5 - 5* in relevant subjects. Where Mathematics is required applicants should achieve the required grade in both the Mathematics compulsory and Mathematics Extended 1 or 2 components.

UK University Programme

Building and Surveying

Business

Computer Science

Dentistry

Economics

Engineering

Journalism

A-Level Subject Requirements

(Required/Preferred) Science

(Useful) Business Studies, Economics
(Typical) IT and Computing, Geography

(Useful) Further Maths, Physics, ICT

(Required) Chemistry and/or Biology
(Relevant) Physics

(Useful) Economics
(Typical) Further Maths, History

(Required/Preferred) Physics
(Alternative to Physics) Science, Computing
(Useful) Further Maths

(Important) History

UK University Programme

A-level Subject Requirements

Medicine

(Required) Chemistry, (Biology, Physics)

Nursing

(Essential) Biology

(Useful) Chemistry

(Typical) Religious Studies

Physiotherapy

(Essential) Biology

(Useful) Chemistry, Physics

Politics

(Useful) History

(Relevant) Economics, Geography

Psychology

(Essential) Chemistry, Physics, Biology

(Preferred) Geography, Economics,
History

Veterinary Science

(Essential) Biology (Chemistry Physics)

【選科策略】中四生考慮退修 提醒學生選科要「三思」
